T-Ball Warm-up

T-Ball Warm-up is a program that will teach your young children the game of baseball in a fun and exiting way. By the summer they will love T-Ball because of the experience they get from this program. The clinic is designed to teach the game at an accelerated rate while always safe and having fun. Through many years of experience we have perfected games that help the children develop the skills to be successful because they genuinely enjoy playing and they remember what they're being taught. The only equipment needed is a baseball glove.

Chess Classes

CheckMates Chess Academy focuses on teaching students of **ALL SKILL LEVELS**. Our unique curriculum makes learning chess fun and classes entertaining. For kids, chess is a game, an educational tool, and a great way to bond with family!

We invite your children to enjoy this timeless game with us. We will be exploring chess tactics such as thinking ahead, correct positioning, and controlling the board while playing many chess related games like "Take Me" and "Crazy Queen!" Students will learn new strategies as well as ways to apply them to their everyday lives. Studies have shown that skills like concentrating, focusing, weighing consequences are very beneficial for kids to learn, especially in a fun game like chess. The last day of class we will be having an intra-class tournament, complete with PRIZES for all those who participate!

Young Rembrandt's Elementary Drawing Classes

Elementary Drawing Class

This winter in Young Rembrandt's drawing class your child will learn about basic design and composition as they draw their own dollar bill. If your child is fond of sports, he or she will enjoy drawing our illustrations featuring a trophy showcase and soccer player. Good color selection and proper coloring technique will be emphasized in many of our lessons, including in the miniature portrait lesson. Besides strengthening your child's drawing and coloring skills, he or she will also learn about art history as we present lessons featuring master artists Gilbert Stuart and Picasso. All new lessons every session. Enroll your child today.

Young Rembrandt's Pre-School Drawing Classes

February and March Pre-School Drawing

The long winter months can easily lead to boredom or restlessness. Alleviate any creative dormancy with a fun-filled recognition as they create a colorful pattern using basic geometric shape. Winter-themed lessons like out snow dome and ice skate drawings will excite the imagination. Illustrations featuring a cuddly kitten and monstrous tyrannosaurus rex will provide a great introduction to drawing animals. All this and more awaits your budding artist. All new lessons every session.

April and May Pre-School Drawing

April showers bring May flowers and springtime is the right time for signing up your pre-schooler for a Young Rembrandt's class! The spring months will blast off with excitement as we draw a wonderful astronaut. But it's not all about space adventures; your student's feet will be firmly planted back on planet Earth with a drawing of a tree house. And don't let those May flowers go unnoticed; the month of May will bloom with our flower basket drawing
